JW MARRIOTT LAS VEGAS KEEPS IT LOCAL WITH TEMPTING SUMMER RATES FOR NATIVE NEVADANS

Las Vegas, Nevada – Locals here have it good: they live in one of the most exciting cities on the planet and all they have to do to experience the best of the Strip is to take a quick drive. But occasionally even locals need to kick back, relax, and get treated like kings on vacation. That's why the JW Marriott Las Vegas Resort & Spa is pleased to announce its tempting summer rates, exclusively available for Vegas locals.

At room rates as low as \$129 per night, Nevadans can bask by the pool, enjoy a private, poolside Cabana, and 'drink' in the beauty of the grounds while sipping on a thirst-quenching mojito under the summer sun. To completely relax, Aquae Sulis Spa is just steps away, one of the most refined and luxurious spa's in the West, where locals can learn the true healing power of water and nature. Couple that with the resort's full-service golf desk, working effortlessly with the nearby golf courses, and there's something for everyone to enjoy.

With JW Marriott's premier restaurant Ceres, the sushi bar and Teppan restaurant Shizen, the Celtic pub J.C. Wooloughan, Carmel Room's old world charm dining establishment, and Gustav Mauler's award winning Speidini Ristorante, guests won't be lacking choices in locales to dine. Afterwards, seek out the nightlife onsite, including the Gourmet Tobacco Lounge, the live music at the Addison's Lounge, or the popular casino floor, or simply turn in and enjoy a relaxing night's sleep in Marriott's new luxury bedding program.

This \$129 discounted rate is offered Monday through Thursday and subject to availability. Weekend rates are \$139 per night. Guests must present a valid Nevada ID at check-in to qualify.

The elegant 548 room JW Marriott Las Vegas Resort & Spa offers guests a lush resort setting with Mediterranean architecture, a luxurious spa, world-class golf and all the pampering services and amenities that have become synonymous with the JW Marriott name. Located in the master-planned community of Summerlin, the resort is just 20 minutes northwest of The Strip. **JW MARRIOTT LAS VEGAS RESORT & SPA:**
